Industrial Strength
Water- Based

PRODUCT DESCRIPTION

Sentinel 310 Fuel Oil Cleaner is an environmentally friendly product designed to clean fuel oil and fuel oil residues found in both residential and commercial applications. Sentinel 310 Fuel Oil Cleaner is uniquely formulated to clean a variety of other soils as well including, dirt, dust, grease and lubricants. Sentinel 310 Fuel Oil Cleaner is powerful enough to handle the most difficult cleaning problems without compromising the safety of workers or environment.

USAGE GUIDELINES

Read directions thoroughly prior to use. Test materials prior to use to ensure desired results and to make sure that materials are colorfast. Make sure surface is free of any loose dirt or contaminants.

DIRECTIONS FOR USE: (FOR PROFESSIONAL USE ONLY.)

Apply Sentinel 310 Fuel Oil Cleaner directly to floors or other surfaces by mopping or spraying. Allow product to soak and penetrate for 5- 10 minutes. Scrub surface if necessary and rinse with clean water. Repeat if necessary.

DILUTION

Sentinel 310 Fuel Oil Cleaner can be diluted up to 50-1 with water, based upon cleaning needs.

pH 9.0 - 10.0
