Mold & Mildew Remover is available in 12x32 oz. cases and 4x1 gallon cases.

■ ADDITIONAL INFORMATION

If you need additional information, please contact our corporate office at 816-471-3602. For a Material Safety Data Sheet go to www.chemicaluniverse.com.

■ DIRECTIONS

Spray Mold & Mildew Remover directly on mold or mildewed area and let dry. Let stand for 10 minutes. Some surfaces may need to be wiped down to remove excess material. A chlorine type odor may be present in poorly ventilated areas. If present, vacate the area as soon as possible. Do not return until any odors have dissipated. Always test product on a surface before using to insure surface effect.

■ SAFE STORAGE & HANDLING

Apply this product only as directed. Do not reuse container. Destroy when empty. Test for color strength on point and surface before use.

Warning: Harmful if swallowed. Skin and eye contact may cause severe irritation. Avoid contact with skin and eyes. In case of contact flush with plenty of water. Do not use ammonia or acid cleaners with this product. This product is intended for Industrial and institutional use. It can cause irritation and/or damage to eyes and skin. Avoid contact by wearing protective devices such as safety glasses and rubber gloves. If contact to eyes or skin, flush with water for 10-15 minutes. If irritation persists, seek medical attention. Always read the Material Safety Data Sheet for additional precautions before using this product.
