

PHYSICAL PROPERTIES

Appearance: Clear Liquid
Specific Gravity: 1.14
Odor: Characteristic
Ph (Conc.): 14
Flash Point: >385°F (196°C)

PACKAGING

4x1 gal, 5 gal, 55 gal

Oven Loven

OVEN & GRILL CLEANER

ABOUT THIS PRODUCT

Oven Loven is a concentrated cleaner/degreaser designed to remove carbon deposits, baked-on food and other stubborn soils from ovens, fryers, bakeware and barbecue grills. This powerful caustic formula softens and loosens tough deposits quickly and easily, without scrubbing or scraping, allowing you to just wipe the residue away with a sponge or cloth. Oven Loven can be used in both hot or cold ovens. Paint onto surface, let set for approximately 5 min. and wipe off or rinse off.

Do not apply directly onto light bulbs, electrical connections, heating elements, thermostats or switches. For overnight cleaning, use only in a cold oven. Spray the oven surfaces and close the oven door and allow to stand overnight. Then wipe clean with a wet sponge. Rinse thoroughly with potable water.

DIRECTIONS

1. Apply product liberally to surface to be cleaned.
2. Let stand 5–10 minutes.
3. Wipe clean with a wet sponge or cloth.
4. For extra heavy soil load, repeat the steps listed above.

PRECAUTIONARY STATEMENTS

Prevention: Wash hands and exposed skin thoroughly after handling. Do not eat, drink, or smoke when using this product. Do not breathe dust or mists. Wear protective gloves/protective clothing/eye protection/face protection.
Response: IF SWALLOWED: Immediately call a poison center/doctor/ medical professional. Specific treatment: see first aid instructions in section 4. Rinse mouth. Do NOT induce vomiting.
